KIDS' DISCOVERY WALK

How many of these can you find?
 The words chiseled into the steps of the Lincoln Memorial where Martin Luther King Jr. gave his "I Have a Dream" speech.

The wall of fallen heroes of the Vietnam Veterans Memorial where you can trace a name. Bring some paper and a pencil.

The Jefferson Marker, where the L'Enfant meant the Washington Monument to be. Look around. To the west is the White House. To the south is the Jefferson Memorial. To the east the Capitol, over the hill.

The giant spider and the "crazy house" at the National Gallery of Art's Sculpture Garden. In winter you can ice skate. It's also a great place to eat on the Mall.

FDR's dog Fala at the FDR Memorial. These words from the Declaration of Independence inscribed at the Jefferson Memorial: "We hold these truths to be self-evident that all men are created equal."
